

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Re application of:
Scott et al.

Serial No. 08/319,745

Filed: 7 October 1994

For: *PATCHED GENES AND THEIR USE*

Group Art Unit: Not yet assigned

Examiner: Not yet assigned

Attorney Docket No. A-60190/BIR
STAN-171

Date: January 30, 1995

CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to the Commissioner of Patents and Trademarks, Washington, D.C. 20231 on January 30, 1995.

Signed 

Lydia E. Epps

TRANSMITTAL LETTER FOR MISSING PARTS OF APPLICATION

Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

In complete response to the Notice to File Missing Parts of Application under 37 C.F.R. §1.53(d) dated 29 December 1994, attached please find:

- [X] a combined Declaration and Power of Attorney by the inventor(s) and the surcharge of
[X] \$65.00 [] \$130.00 as set forth in 37 C.F.R.

§1.16(e):

- [X] a Declaration of Small Entity Status;
[] a Petition for Extension of Time;
[X] Executed Assignment document(s) with Recordation Form Cover Sheet(s);
[] Other:
[X] a check in the amount of \$664.00 is enclosed.
[] Charge \$_____ to Deposit Account No. 06-1300.

The Commissioner is hereby authorized to charge any fees under 37 C.F.R. §§ 1.16, 1.17 and 1.21 which may be required by this paper, or to credit any overpayment to Deposit Account No. 06-1300 (Order No. A-60190/BIR STAN-171). This form is submitted in duplicate.

Respectfully submitted,

FLEHR, HOHBACH, TEST

U.S. Patents:

The Applicant(s) are not aware of any U.S. patents which they believe may be material to the examination of the referenced application.

Foreign published Applications or Patents:

The Applicants are not aware of any foreign published applications or patents which they believe may be material to the examination of the referenced application.

Other Printed publications:

The Applicants are aware of the following printed publications which may be material to the examination of the referenced application:
